

SITE PLAN

Please include: Lot lines; area to be cleared of trees and other vegetation; the exact position of proposed structures, including docks, porches, and out buildings with accurate setback distances from the shoreline, side and rear property lines; the location of proposed wells, septic systems, and driveways; and areas and amounts to be filled or graded. If the proposal is for the expansion of an existing structure, please distinguish between the existing structure and proposed expansion with different color ink.

- 1. = house = 32' by 24'
- 2. = garage apt = 32' by 24'
- 3. = open deck = 32' by 4'
- 4. = 1000 gal septic tank
- 5. = infill tank disposal 20' by 40'
- 6. = driveway 145' by 24'
- 7. = walkway 4' by 160'
- 8. = water well drilled

Scale 1 = 100 FT. ^{shed 20' x 12'}
